

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

October 19, 2007

Permit Number: OCRM-07-288-M
Permit ID: 60953

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Charleston County Roadwise Program
C/o LPA Group, Inc.
P.O. Box 5805
Columbia, SC 29250

LOCATION: On and adjacent to the marshes on a tributary of the Kiawah River at Blackground Road, Johns Island, Charleston County, South Carolina. No TMS.

WORK: The work as proposed and shown on the attached plans consists of placing fill material in tidal wetlands. Specifically, the applicant proposes to fill approximately 0.08 of an acre of brackish marsh within the right-of-way of an existing county road slated for extension and additional paving. The purpose of the activity is for road improvements and access.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before November 18, 2007. For further information please contact the project manager for this activity, Fred Mallett at 843-953-0236.
